

The Great Escape Oz Newsletter March 2020

Corvid-19 Announcement

Hi all I hope you and your family are all well and surviving the ridiculous mad rush to get certain items from the supermarkets, in particular TOILET PAPER.

We are saying the world is changing, yes that's correct, but to madness.

I am committed to the health, wellbeing and safety of all people involved with any The Great Escape Oz events along with the general community, as that is the way I look at respecting the good name of Cure4 Cystic Fibrosis.

Whilst I recognise that the full effect is yet unknown, please rest assured that I am closely monitoring the situation continually assessing developments and advice from health, governments and other authorities. I will not compromise on necessary actions that must be taken to comply with the directive from experts.

From what I have just outlined; The Great Escape Oz Mini Rally to be held 28-29 March 2020 within the Hume Weir – Albury area is CANCELLED----Please pass onto friends who may have been coming.

Although our numbers would not be in the region of 500 outdoor or 100 indoor, I still feel that it is safer for all if it is postponed to a later date when Covid-19 has moved on.

Just on a further update the new THE GREAT ESCAPE OZ website will go live by the end of the week, so be patient and go in after Friday to.

www.thegreatescape.com.au

There will be more info going up as we make sure everything is working correctly, along with photo's going back to 2004. This is now all history made possible by a lot of generous people who have given their time, energy and good spirit in raising millions of dollars for Cystic Fibrosis in Australia.

Now, adhere to the strict hygiene and cleaning measures, cover your mouth when coughing or sneezing and stay 1.5 meters apart when you can, as we move through Corvid-19

My final word: "this is not about fear, it is about love of your fellow man".

Take care, and I'll see'y down the track.

Track Boss
