The Great Escape Oz March 2021 Newsletter

G'day to all Rallyitives and those that are interested in joining our trusty group.

Many of us have not seen each other for 18 months or more and we are going to do something about that with a mini rally. You may recall last year when there was no hope of having a full rally due to covid, we staged 2 very successful mini rallies, first in the Mudgee region, thanks to a lot of work done by the Mudgee boys, Doc, Chappy, Ken, Bart and others not forgetting Mal and Nat. Then mini rally number 2 in the Hunter region and thanks go to Peter, Mal and others, all of these people in both rallies gave us some good tracks great pubs and of course great fun. But we could not expect everyone to get involved as many live in Victoria and with open and shut borders they did not get the opportunity.

GOOD NEWS, IVANHOE MINI RALLY JUNE LONG WEEKEND SAT 12, SUNDAY 13 MONDAY 14 JUNE. 2021. Towns include Balranald, Booligal, Maude, Carrathool, Mungo NP and towns within that regional.

This time the boys from Shepperton, the boys from the Riverina and you can bet there will be others who will join up and put some good tracks, pubs and fun together. So if anyone wants to help give Lloydie a call (**0409 438 925**) as he will be out on the tracks in the coming week. We are looking at pubs that have beds and good tucker, some of you would have been before others may be new to The Great Escape Oz, and we will create the fun with the locals. Get out and enjoy life.

Now time is the essence, as the 2020 mini rallies we had 25 cars, limited by covid, but this time no limits but there are only so many beds, **so you need to show your interest early and come back to me quickly, indicating numbers who are coming with you, you don't want to miss out on a bed**

I will not be booking accommodation for you, but I will have a list of accommodation with contact details, for you to follow through in the coming weeks.

RAFFLE TICKETS FOR THE GREAT ESCAPE OZ, great prizes which will be drawn at the start of the 2021 GEO at Nuriootpa on Sat 18 September 2021.

Please call or email me for 50 tickets to a book, tickets \$2 each help with your fundraising.

See Ya down the track
